

McLean County Dance Zoom class information sheet for Fall 2020

All Zoom classes (whether Zoom-only or offered simultaneously with in-studio classes) will be priced the same as in-studio classes. See the fees listed on the back of our schedule.

Several of our classes will be offered as Zoom-only with the teacher adapting the class to the Zoom format.

Some in-studio classes will be offered simultaneously on Zoom. Please understand that the primary focus will be on the students in the studio.

If you are registered to take a class offered simultaneously on Zoom, please do not attend in-studio classes without making prior arrangements with the studio director to see if class size will allow. Our in-studio class sizes are limited.
